Noble Estate Winemaker's Notes 2014 Passion

Variety Rose Blend

Winemaker Mark Jurasevich

Tasting Notes This semi-sweet effervescent rose features aromas of rosewater, strawberry, peach and freshly picked grapes. Sweet and sassy is the best way to describe this delicious and fruity rose. Apricots, nectarine, quince, and a bouquet of flowers are a nice surprise. Definitely pretty in pink and meant as a fun wine to share with friends.

Pairing Suggestions: Fresh strawberries with whipped cream, grilled peaches, honey semifreddo, Dungeness crab
